

## **Malawi June 2008 Meetings Testimonies**

*Our Reporter Sr Rachael Naome Kadiwa (in Malawi) gives us an account of what the Lord did and continues to do in Malawi since the Lilongwe Revival Meetings in June 2008.* It is no secret that Malawi has been dramatically changed by the visitation from above. The host Pastor Mbewe is a strong believer in God's power to deliver and is praying for people and he has got such confidence in GOD that things are happening. People are already taking the word into action the brothers are already speaking sickness and demons out of existence.

### **Bewitched Sister Healed**

In January 2008, a Malawian sister-in-Christ was warned by *someone* in a dream to cover her mouth with a Spoken Word book she had been reading before she retired for bed. Since she was drowsy and weak and could not bring herself to do it, the *person* who had warned her came forward to block her mouth with the book. Immediately after, the sister saw an intruder step into the room and advance towards her. She recognized that it was a woman holding a liquid concoction of *a strange drink*. The woman began to force the drink down her throat. A few drops of the evil drink managed to spill down into her throat through the unguarded corner of her mouth. Upon waking up the following morning she felt sick in the stomach and began to vomit. Since then she has been suffering from acute diarrhea. She was healed a few weeks ago after passing through the prayer line.

### **The dumb speak**

A dumb child spoke for the first time after prayer was made. He was prayed for by one brother's child when they got home the child spoke: "anthu aja abwela" meaning "those people have come". They were waiting for visitors so she was saying those visitors had have arrived.

### **The blind receive sight**

A girl who was prayed for during the meetings and was delivered of partial blindness went and testified to another who was almost completely blind. The latter has gradually recovered her sight and, above all, has decided to be baptized in the name of the Lord Jesus Christ and serve the Lord.

### **Sister Receives a Bible**

One elderly sister said she did not have a bible and greatly desired a bible during the meetings she believed so much after hearing all the testimonies then a man came to her house and said "Mai Nyirenda I understand you need a bible" she said "yes" and the man said "I had a heavy burden in my heart I could not rest until I had to go and buy you this bible".

### **Healed of HIV-AIDS**

One brother from Salima testified that he was healed of HIV-AIDS after prayer.

### **Delivered from Heart Problems**

Bro Francis had a problem with his heart almost like heart palpitations his heart was always racing and he would go everywhere with a bottle of water until people at school used to laugh at him. After prayer during the meetings he's fine. He also had a problem with the roof of his mouth it was always itching but after prayer he is fine

### **Delivered from Partial Blindness**

Bro Jack's (The song leader) father-in-law (Brother Ndalama) uses spectacles. His daughter Sis Jack so much wanted her father to be prayed for but he was away on business in Salima.. On Tuesday the last day of the meetings, she was thinking so much of him and had decided to buy him a pair of stockings and have them prayed for then give them to him as a prayer cloth (Acts 19:11-12). Early on Tuesday she was shocked when he arrived unannounced. She immediately invited him for the evening service with the Zimbabwean He came with his wife however he had forgotten his spectacles so the wife wanted to go back home and get them but he said that 'it would be okay; he just would not be reading the bible during the service'. Bro Ndalama says that he COULD NOT read without the glasses. When it was time for scripture reading he absent mindedly opened his only to find that he could see and read clearly. Puzzled he put it further and further from him then closer and closer but found out that could see.

### **Blessings in Business**

One brother after receiving prayer made a business profit of MWK10,000.00 in a week. Unheard of for the size of his business, it can only be GOD doing that. This same brother testified and prayed for a mad man. The very next day the person went back and told him that he was surely healed and he is now in his normal senses. Reminds us of Jesus and the Maniac of Gadara.

### **Delivered from haemorrhoids (piles)**

Sister Dziyanjanani jr had haemorrhoids (piles) and she could neither sit nor use the toilet. The problem started in 1990 and often times she was in pain. She was however prayed for during the meetings and since then, there is a great change. The growth has began to shrink and the pain has suddenly disappeared proving that our sister has been delivered.

### **A Sister's Daughter claimed by the Spoken Word**

One sister did not manage to attend the meetings due to a death in the family. However she had burden for her unbelieving daughter. While listening to the testimonies of the meetings from another sister she yearned for a blessing. The sister told her that they too had power to claim their loved ones. She told her that ALL IS WELL and not to worry anymore, her daughter will come to her and make her life right. The next day the daughter called her mother sat down with her and confessed EVERYTHING and made her life right and is a good girl now.
